*Wishing you and your family a Merry Christmas
and a Peaceful and Happy New Year*

In India, we proudly embrace and acknowledge the rich diversity of all religions. Festivals become moments of shared joy and mutual respect, teaching our children the values of unity and inclusiveness.

This Christmas season, our children celebrated creativity, hope, and harmony through a special Christmas Card Competition. Young artists beautifully painted the **Dove of Peace**, each artwork reflecting their dreams for a kinder and more joyful world.

Adding to the festive spirit, the senior students of Guria School created vibrant rangolis, symbolizing unity, celebration, and cultural richness.

We are delighted to share this card with you as a token of gratitude for your continued support. Your encouragement helps our children learn, grow, and shine.

All the Project Mala team wish you and your family a Merry Christmas and a Happy New Year 2026.
