An action programme for the elimination of child labour in rural India

Greetings!

Meet Pradeep

Pradeep is the Mala student who has been attending Foremarke Hall (Repton's Preparatory School) in the UK since September 2018.

As Pradeep is going back to India in July we would like to offer sponsors and supporters of Project Mala an opportunity to meet him and ask some questions about his time in the UK.

As a prelude to this event I attach below a copy of his Lent Term report (click on it to open). I hope you will find time to at least skim through. It is outstanding.

What is more impressive is that Pradeep comes from a humble background in India and is studying in a foreign language. As important for you as a supporter is that without the education he received at Project Mala schools in India, his undoubted ability would not have been realised. I hope you take this as a good example of how well your funds are being used. For PM staff and trustees it is a great reward that this gifted child has made the most of the education we gave him.

The event is early evening from 6pm to 8pm on **Saturday 25 May** at Poppleton Methodist Church, The Green, Upper Poppleton, York YO26 6DP. The evening is open to anyone, so please bring any friends you think may be interested. It would be appreciated if you could let us know the number in your party.
