Greetings!

Project Mala on social media

Modern technology is rapidly expanding our communication network. One of the ways we are now using is social media sites like Facebook, Twitter and Instagram.

We have had these sites for some years but have never been very active. However, since Diana Lewis (Dee) took over, they have taken on a new lease of life. Dee has been posting many interesting short stories and events at the schools.

If you have a Facebook, Twitter or Instagram account, please join ours, where you will receive many more short news items from Project Mala schools.

You can also link to these sites via our website - <https://projectmala.org.uk/>

We are particularly active on Facebook, Twitter and Instagram.

Thank you for your continued support and we look forward to connecting with you on our social sites.

If you know anyone who you think might be interested in this Newsletter, please forward it on.
