An action programme for the elimination of child labour in India

Greetings!

Sponsors trip October 2018

The opening of the secondary school extension at our Patehra School is rapidly approaching and the children are already planning the displays and activities they will put on in the marquee for the visitors.

Most of the overseas visitors will have been in India for some days seeing a few of the magical sights that India has. The event starts with a welcome dinner in Varanasi on the evening of the 24th October and the opening of the new secondary school will take place the next day. Guests will travel by bus to Patehra School where each visitor will be allocated a senior child to act as their guide of the school. There will also be a number of exhibitions and displays.

Following the official opening of the new secondary school, children will put on a number of short sketches and acts depicting the Indian culture. After lunch visitors will depart back to their hotels. The following day everyone will be able to visit other schools and see something of rural India.

Those who are intending to come to this opening should let us know of their plans or contact Ashikur of Royal Exhibitions at ashikurrehman@gmail.com, who is planning a trip so sponsors can travel in a group. If you need any advice please ring me on 01904 341004

If you know of anyone who might be interested in this newsletter, please pass it on.
