Board Exam Results 2024

The primary objective of Project Mala is to provide children with high quality education in order for them to reach their full potential. Recently, the Uttar Pradesh Board announced the Class 10 and Class 12 children results. Once again our children rewarded us with an outstanding performance.

In Class 12, all 41 Project Mala students attained a pass mark in the 1st division. The results were exceptional but one student, **Rajnandini**, who joined Project Mala at Hasra primary school, made her way through 10 years of education with us to the exclusive group at our boarding school, which is based at Guria. To highlight just how good her achievement is, she clinched the 7th position in the entire state of Uttar Pradesh and secured the 2nd position in Varanasi District, standing out as the top ranking female candidate.

Considering the registered examinees number of 2,578,007, achieving the 7th rank fills us with immense pride, as this marked a new record-breaking achievement surpassing all previous years.
